

Conquering the Challenge of Great Impressions: A Hands-On Program

SPEAKER: DR. MARSHALL FAGIN - *DDS, Prosthodontist*

Tuesday, May 12, 2009 5:15pm

Dr. Fagin received his dental degree from the State University of New York at Buffalo School of Dental Medicine in 1970 and his Certificate in Prosthodontics in 1972 from Boston University.

An international lecturer and educator for almost 35 years, Dr. Fagin frequently updates his colleagues on the most recent advances in cosmetic and reconstructive dentistry. He is currently a part-time Associate Professor in the Dept. of Graduate Prosthodontics at SUNY at Buffalo School of Dental Medicine and has conducted several "Hands-On" courses for dentists on "Anterior Esthetic Makeovers" at the school's Esthetic Dentistry Education Center and for the University of Florida School of Dentistry's Mastership Program. He was voted by his colleagues to "Best Dentists in America" 2004/2005, 2008 "Global Who's Who Man of the Year" in Dental Health, "Top Dentists" 2008 and was elected to faculty membership in the Honorary Dental Society

Omicron Kappa Upsilon. He was awarded Diplomat status in the International Congress of Oral Implantologists in 1994 and is an honored Fellowship recipient of the International College of Dentists (1993) for his contributions to Dentistry.

Dr. Fagin is also an active member of the American Academy of Fixed Prosthodontics, the American College of Prosthodontists, and Alpha Omega International Dental Fraternity. To learn more, see his website at www.transformyoursmile.com

SYNOPSIS: An hour powerpoint presentation will review with slides and video, multiple techniques for helping to achieve great impressions with predictable consistent outcomes, whether one tooth or twelve teeth. This will cover the impact of preparation design on successful impressions, Laser troughing, cord packing and impression techniques. We will then have a workshop, where attendees will actually do soft tissue Laser troughing with the Ivoclar Navigator Diode Laser, as well as cord packing and impressioning, based on the techniques you have learned. Remember, without great retraction techniques, even digital impressioning cannot help. *This is a night you can not miss!*

OUTCOMES: More consistent readable impressions, less redos and headaches, with greater productivity.

Tuition fee is \$79 per session. *Dinner is included.*
Eligible for 3 credits.
Space is limited.
